UNIVERSITY OF COLORADO
CHILDREN'S HOSPITAL COLORADO

presents

The Science of Patient Centered Decisions: An ACCORDS Seminar Series

“Shared Decision Making in Practice: Advanced Cancer at Home”

Attendees of this talk will be able to:

1. explain the importance of "everyday" communication in advanced cancer patient-spouse caregiver research.
2. discuss potential explanations for individual variability in advanced cancer spouse caregiver communication.

Maija Reblin, PhD

Assistant Professor, Department of Health Outcomes
& Behavior, Moffitt Cancer Center

Dr. Maija Reblin is a social and health psychologist who studies the social context of advanced cancer caregivers.

For live remote access:
<https://ucdenver.zoom.us/j/159264933>
