

By submitting this certification, I confirm that my request matches the product and data classification categories listed in this certificate. If my product use or data classification is different, I understand that I cannot use this certificate.

CERTIFICATE

To Submit for Acquisition

Scholaro

This certificate confirms that Scholaro is approved by Information Strategies and Services for use with Confidential, Highly Confidential and FERPA data from June 2026 to May 2028. You may download and attach this certificate to your Procurement Service Center request.

Approved use: Scholaro may be used with Confidential, Highly Confidential, and FERPA data includes data elements that require protection under laws, regulations, contracts, relevant legal agreements and/or require the university to provide notification of unauthorized disclosure/security incidents to affected individuals, government agencies or media.

Restriction: This certificate cannot be used if Scholaro connects with other existing services or systems. In those cases, submit a Technology Risk Assessment Request.

See Scholaro Information below for additional details.
