COAHEC Near Conference 2020 Canceled due to Covid-19
Due to Covid-19, we have canceled our in person conference but are happy to announce that we will be offering a series of virtual sessions in our NEAR Conference Lite.

Curriculum: Reform, Revision, Redesign

PRESENTED BY CU SCHOOL OF MEDICINE
Available November 1, 2020 through March 1, 2021

Presenter: Jennifer Adams, MD, FACP

In this session, Dr. Jennifer Adams will share the University of Colorado School of Medicine’s vision for comprehensive curriculum reform. Participants will learn the inspiration for reform, proposed educational strategies, and ways they can participate in community-based education of CU medical students in the new curriculum.

Dr. Adams is originally from Denver and graduated from the University of Colorado School of Medicine. She did her residency in Internal Medicine at the University of California, San Francisco. In 2005, Jennifer returned to Denver and joined the Division of General Internal Medicine at Denver Health. She is the Director and founder of the Denver Health Longitudinal Integrated Clerkship. Dr. Adams also serves as the Assistant Dean of Medical Education and Clinical Curriculum in the CU School of Medicine. In this role she is overseeing the transition to an all-LIC curriculum as part of the curriculum reform which will launch in 2021.

This is a recorded one-hour session. Please register below and when the session is available, you will be sent a link.
